SIR,

In returning the Comptroller's letter No. 1580, dated 23rd ultimo to your address I have the honor to state that Mr. Russell Superintendent of Forests drawing Rs 500/- has been held as a senior officer both in rank and pay to the Assistant Conservator 1st grade whose pay is only Rs 300, and this Officer having proceeded on 2 years Medical leave, temporary promotions were naturally looked for by other Forest officers below him and the same were recommended and sanctioned by Government. — If now the minimum pay of Mr. Russell which I believe was fixed at Rs 250/- on his first appointment in Mysore, when other Forest officers were drawing less pay, be held to debar the next senior officer acting for Mr. Russell and others promoted in succession

Succession from getting any acting allowance, the Status of the Superintendent of Forests will then be reduced to that of an Assistant Conservator 2nd grade. - We have now Assistant "Conservators of 1st, 2nd, and 3rd grades, drawing Rs 300, 250, and 200 respectively and the pay of the post of the Superintendent of Forests which will be converted into a Deputy Conservator's grade in the revision which I am going to propose shortly may be fixed at Rs 500/ so that Mr. Lavery may get an allowance of Rs 100/ at 20 per cent on the above pay and Messrs Narainakao and "Ramaswamy Iyer" Rs 50 each during the period they have been appointed to act for Mr. Russell. _____

Sir,

I have the honor to state that as a Forest Probationer I have been getting a pay of Rs 100/per mensem and batta of Rs 2/per day while out of Head Quarters. Last time I was in charge of this District I got an acting allowance of Rs 50/per month and the batta of an Assistant Conservator of Forests. —

As I am now ordered by the Inspector General of Forests to work here as a Forest Probationer I shall not be able to manage with the pay and batta I now get. — All provisions are very dear here when compared with Shimoga District and the up keep of my establishment for out door District work costs me much. I beg you will kindly recommend me to the Inspector General of Forests to give me some charge allowance and the batta of an Assistant Conservator while I remain in this District. —

And in case I am not kept on here permanently

permanently I would also beg of you to request the Inspector General of Forests to send me back to Shikarpur so that the arrangement I have made there for carrying out the operations during the year may not be upset. — I request this of you as I hear that permanent arrangements are already made in the Shimoga District to fill up the vacancy caused by my temporary transfer to this District. —

I have to.

Mr

I have the honor to forward herewith for kind perusal Comptroller's objection statement no 2 for July 1893, informing me that owing to the return to duty of Mr Russell, Superintendent of Forests, from leave, I am not entitled to draw from that date the acting allowance of Rs 50/per month which I have been drawing since 7th June 1890, and asking me to refund the excess drawn by me for the last June and subsequent months.

2. I humbly beg to represent that if the salary of Rs 200/ which I have been drawing for the past three years be now curtailed to Rs 150/, I should find it very difficult to meet my expenses in discharging my duties as a Forest Officer at this stage of my life. —

3. I respectfully beg to state that the appointment of the late Mr Lavery, Assistant Conservator of Forests 1st grade, on Rs 300/per month is vacant, and I humbly beg that in the arrangements which may be made for filling up that post, I may be confirmed

Confirmed as Assistant Conservator of Forests and that till then I may be permitted to continue to act as Assistant Conservator from 1st June last. —

4. I am led to believe that my appointment as acting Assistant Conservator of Forests, 3rd grade was not made temporarily, for no officer of that grade was appointed to act in the 2nd grade; nor has any perversion occurred from the 2nd grade to the 3rd grade owing to the return to duty of Mr. Russell. —

5. I beg to avail myself of this opportunity to represent that continued illness in the Kachur District has put me to heavy loss and expenditure. — I have not drawn my pay for the past two months, as I am asked by the Comptroller to refund the allowance drawn by me for June and subsequent months; and am therefore put to much hardship. —

6. Under these circumstances, I humbly beg that you may be pleased to forward this letter to Government with your recommendations and move them to permit me to continue to draw the salary of Rs 200/per month, which I have been getting since 7th June 1890, as Acting Assistant Conservator of Forests. —

Sir,

With reference to your
docket no 1211 dated 16th
October last, ¹²³ I have the
honor to state that Mr. Rama
swamy Iyer when on
privilege leave drew an
acting allowance of Rs 50 per
mensem in addition to Rs
150/- the pay of a sub- Assistant
Conservator, that this allowance
was not available when
Mr. Heerasingh acted for
him and that Mr. Heerasingh
also drew acting allowance
at Rs 50/- as per instructions
received from the Comptroller.
I beg to invite attention to
the notification of Government
published

published in page 376 of the Mysore Gazette No 46
dated 5th October 1893, by which Mr. Heerasingh
is appointed to be in charge of the Forest
Department of the Madur District. —

Provision is made in the latter ^{part} of section
78 of the Mysore Service Regulations for the
allowance to be given to officers who are appointed
to be in charge of certain offices, independently
without retaining their own charge. — As per
this section, he can only draw $\frac{3}{4}$ ths of the
acting allowance or only Rs 22½ per month. —

I consider this allowance to be quite insufficient
for the heavy work and responsibility devolved
on Mr. Heerasingh and I beg therefore to
strongly recommend that an allowance of
Rs 50, either under sections 73 and 74 or as a
special case, may be given to him and
he be allowed to draw the travelling allowance
of a Sub-assistant Conservator. —
